4 19(b) NOTE

In re- appointment of Mr
Malhari Rao as Head Master
Mysore Maharani's Girls School

In December 1897 three of the students of the Mysore Maharani's Girls School passed the Matriculation Examination The School Committee recommended the establishment of F A classes for their benefit Mr Bhadona was not quite in favour of the proposal on the ground that the teaching of English and Mathematics in the F A classes if carried greatly established required teachers of superior attainments He thought however that as the present staff had hitherto been found to teach the 3 girls they have passed encouraged to prosecute their studies on the lines of the F A examination for three years and allowed scholarships of Rs 30 each This was sanctioned in G O dated 21 - 5 - 97 Upon a further representation by the Committee the Council by their resolution dated 3 Dec 97 raised the scholarship to Rs 50 subject to the usual condition of satisfactory progress

In April 1898 Mr Bhadona reported the F A class but the result was considered not satisfactory Vide para 3 of his Inspection Note dated 10 June 98 Not a single student passed in English in the Matricula-

-tion class, and the Inspector General in para 9 of his Notes remarked - "for several years to come it will not be possible to have F A classes containing more than 3 students at the utmost It is worthy of consideration whether such small classes with a special staff should be maintained at a heavy cost" He considered it desirable to limit the highest standard in this school to that of the Matriculation examination at least for some years to come

In the concluding para (9) of his Notes he offered certain suggestions for consideration and adoption if Government decided to retain the F A class A copy of Mr Bhacha's Notes was forwarded to the President of the School through the Inspector General of Education on 19 July 98 and the Committee's views were requested No reply has yet been received to the above reference But on 5 April '00, at a meeting of the Committee at which Mr Bhacha was present the following resolution was passed apparently after taking into consideration the suggestion contained in the Inspr Genl's Notes of inspection -

Resolved,

That as the F A class requires the help of a teacher possessing superior qualifications and experience of the work of a College Department, the Committee recommend the temporary appointment of Mr S MalhariRao B A of the MahaRaja's College

as dead Master of the MahaRani s Girls School de will take a principal share in the teaching of English and Mathematics in the F A class and also advise and help the Lady Superintendent in all matters of instruction and discipline and in the general supervision and management of the whole School

In submitting a copy of the foregoing resolution Mr Bhadha recommended the transfer of Mr MalhariRao s services *temporarily* to the MahaRani Girls School on his present pay and the transfer of Mr Krishnamurti Mathematics master of the Shimoga College to the Mysore MahaRaja s College

Mr Bhadha was asked to favour the Government with his views confidentially as to whether the proposed Lady Suptt was not able to teach English to the F A class & whether instead of transferring such a highly paid officer as Mr MalhariRao Mr Krishnamurti of Shimoga College could not be given to assist her along with the other graduates now on the staff in the School in teaching Mathematics

Mr Bhadha confidential D O is enclosed It explains why MalhariRao is preferred to Mr Krishnamurti and as the present Lady Superintendent is not a graduate and is not able to teach the F A class (which is very disappointing) I think the temporary arrangement proposed is necessary and may be sanctioned upto December next when the three

students now in the Senior F A class have to appear for the examination I hope they will all pass The formation of the Junior F A class will depend on the number of students that pass the Matriculation examination in December As the 3 students now in the Senior F A class are receiving scholar-ships from Government, under Council resolution dated 3 Sep '97 and this being the third year of their course the completion of their studies under such an experienced teacher as Mr Valhariḍao is likely to ensure their success at the examination

Submit to Dewan for approval Being a temporary appointment it does not require Council sanction I think

SIR

I have the honour to inform you that it is not clear from Government Order No 13055-6/Ed-283 dated 16th May 1879 announcing Mr. Nathan Rao B A as Headmaster of H H the Maharani's Girls' School Mysore, whether he should be regarded as a gazetted officer. His pay and rank as Headmaster of the School are higher than those of the Lady Superintendent who is a gazetted officer. As a doubt has arisen as to the footing on which Mr. Nathan Rao may draw his pay, I request that Government may be pleased to declare him as a gazetted officer,

or specially authorise him to draw
his pay on a separate pay bill over his own signature
It would be humiliating to him
to have his pay drawn on an Estab-
